

# MEMORIAL PARKWAY

## COMMUNITY ASSOCIATION

The Memorial Parkway Board of Directors continues to strive to make our neighborhood a safe and pleasant place to live. Your annual assessments go toward the cost of street lights, constables, landscaping of common areas, pools, courts, clubhouse, mosquito control, and other business-related expenses.

### Committee Info

Your Memorial Parkway Community needs YOU! We need volunteers to offer their talents in a variety of roles to help support our HOA functions and activities. If you value the events and services that our HOA offers, please consider volunteering so that we may continue to serve our great community! We are looking for volunteers for the Grounds, Recreation, Facilities, Architectural Control and Security committees. If you would like to volunteer, please come to our meeting on the 3rd Tuesdays of the month at 7pm in the Memorial Parkway Clubhouse to learn more about the needs of these committees.

### POOL ACCESS

CellBadge allows the HOA representatives to control access to pool facilities using a real-time database and paperless online registration. CellBadge is an online service that allows lifeguards to know who has valid access to pools. Lifeguards identify patrons by homeowner Last Name and Street Address. CellBadge lists all the family members associated with the home and let's lifeguards know if they have a Valid, Invalid, Registered or Unregistered access status.

There is a one-time registration. Please make sure to register with Cellbadge to visit our pools.

2023 Amenities Update: The Cimarron Parkway pool had a full facelift this past off season. Several layers of old plaster were removed and marquis quartz plaster was applied to the entire pool. The old coping surrounding the pool was removed and new updated coping was installed. We are looking forward to using the brand-new pool this upcoming swim season. The decorative fencing in the Center Point Energy Utility Easement was 15 years old and the wood was found to be rotten. We updated the areas with new white vinyl fencing. The landscaping in front of the new fencing will be update this spring. The tile in the clubhouse was removed and replaced with new luxury vinyl plank flooring were installed in the clubhouse, kitchen and office lobby.
